Purpose of Inspection:

Checked the site while I was in the area.

Directions to Site:

See previous inspection report.

Inspection Summary:

The site remains unchanged since my last visit. The road into the area is very rough and requires some care when driving on it. I GPS'd another road into the site and the map showing this is included with this report.

Conclusions and Recommendations:

I will continue to monitor the site when I am in the area.

Inspector's Signature

Doug Jensen
